

# iGEM --- China Teach the Teacher Workshop

There will be three **Teach the Teachers Workshops** worldwide:

- MIT, USA - May 26
- **Tianjin University, China - June 16-17**
- ETH Zurich, Switzerland - June 27

For more details, please refer to: <http://parts.mit.edu/r/parts/igem/index.cgi>

*We welcome your participation!*

**iGEM** is the International Genetically Engineered Machine competition, that is, to facilitate the process of engineering biological devices in living cells by providing a library of standardized parts (Biobricks) to design and build genetic machines.

For more information, please check:

<http://www.igem2007.com/>

This April, We successfully held the **Tianjin University Synthetic Biology and iGEM workshop April 2007**.

On June 16<sup>th</sup> – 17<sup>th</sup>, 2007, we will hold the **Asian Teach the Teachers workshop**.

We will also hold an iGEM China, regional meeting on October 1<sup>st</sup>.

**Randy Rettberg, head of the Registry of Standard Biological Parts and Professor Tom Knight from MIT** will be our keynote speakers.

For more details about our workshop and the related activities, please refer to:

# iGEM --- China Teach the Teacher Workshop

## TJU TTT Workshop Organizing Committee:

**Chair:** Ying-jin Yuan (Tianjin University)

**Co-chair:** Randy Rettberg (M.I.T.)

**Members:** John Cumbers (Brown University)  
Yizhi CAI (Virginia Bioinformatics Institute)  
Jing-jing Sun (Tianjin University)  
Xiao-Qian Li (Tianjin University)  
Yan-Ran Li (Tianjin University)  
Tong Hao (Tianjin University)  
Kang-Jian Qiao (Tianjin University)

**General Secretary:** Yan-Ran Li

## Schedule

### June 16<sup>th</sup>

13:00—13:30 Welcome

13:30—15:30 Section 1

15:30—18:30 Section 2

19:00—21:00 Dinner/Discussion

### June 17<sup>th</sup>

08:30—09:30 Section 3

09:30—11:10 Section 4

11:10—12:30 Section 5

12:30 The End of TTT
